

**Capitol Complex Advisory Council
Report to the 65th Montana Legislature
August 2016**

Introduction

In 1997, the Montana Legislature enacted House Bill No. 123 (Chapter No. 476, Laws of 1997), an act creating the Capitol Complex Advisory Council (2-17-801, et al., MCA). This legislation was introduced at the request of the Department of Administration to establish a council to oversee the placement of art and memorials on the Capitol Complex and grounds.

The Capitol Complex Advisory Council consists of nine members:

- four legislators, two from each house, appointed every two years on a bipartisan basis;
- two public representatives appointed by the Governor; and
- the director or the director's designee of each of the following agencies:
 - the Montana Historical Society
 - the Montana Arts Council
 - the Department of Administration

A list of the Council's current membership is contained in Appendix A.

The statutory duties and responsibilities assigned to the Council include:

- reviewing proposals for long-term displays or the naming of State buildings on the Capitol Complex;
- advising the Legislature on the long-term display of busts, statues, memorials, monuments, or art displays within the Capitol Complex, including the executive residence and the original governor's mansion;
- advising the Department of Administration on interior decoration of the Capitol;
- advising the Department of Administration on grounds maintenance and displays;
- advising the Department of Administration on policies governing maintenance and beautification of the Capitol, executive residence, and original governor's mansion; and
- advising the Department of Administration on establishing and maintaining a long-range master plan for the orderly development of the Capitol Complex.

In addition, the Council must report to the Legislature by September 1 of each year preceding a legislative session on requests that it has reviewed for naming buildings and for long-term placement of items in the Capitol or on the Capitol Complex grounds. The report must include a recommendation on whether reviewed requests meet certain statutory criteria. If a request meets the criteria, the Council must recommend a time frame during which the project should be authorized.

Council Meetings in 2015 and 2016

The full Council met once during 2015 and has not met during 2016.

The agenda for the December 2, 2015, meeting included introducing the new members to the process and procedures of the CCAC; discussing the process for procuring artwork, and establishing a subcommittee for the fulfillment of HB 431 – the Sidney Edgerton memorial. (See House Bill 431 below.)

Women's Mural Project Completed 2015

In 2011, the 63rd Legislature passed SB 59, An Act Providing for a Mural That Honors the History of Women as Community Builders, Amending Section 2-17-808, MCA.

On December 5, 2013, the selection committee awarded the commission of the Women's Mural to Hadley Ferguson of Missoula, Montana. A formal dedication celebration was held on January 7, 2015. Money for the project, including installation and maintenance was privately raised.
